 The flag of DAV Movement was carried forward towards glorious success by the great visionary and Karmayogi, who opened the floodgates of DAV Movement by opening more than 200 schools in the Eastern Zone

Established in the year 1987 DAV Public School, Hehal, a leading school of the DAV Ranchi Zone, functions under the aegis of the DAV College Managing Committee, New Delhi. Starting from a humble beginning with only two hundred and fifty students on roll when it came into being a few years ago, the school is flourishing today with its strength touching sixty five hundred. The strength itself bears testimony to its immense popularity in the arena of quality education, enviable standard of teaching and covetous infrastructure. Today, the school boasts its five grand and attractive buildings spread over eleven acres of land in sylvan surroundings away from the din and bustle of the city with classes from Nursery to Std. XII Arts, Science and Commerce streams. Besides having well-maintained class-rooms, the school is comprised of the Administrative Block, Yajnashala, well equipped Computer Laboratories, Science Laboratories, Libraries and a huge Auditorium with all modern facilities. The latest additions to the infrastructure are the former President Dr. A.P.J. Abdul Kalam inaugurated G.L. Dutta Science Block and the MCM Block named after Late Meher Chand Mahajan, the former Chief Justice of the Supreme Court of India and former President of the DAV College Managing Committee.

Within a short span of few years, the school has scaled great heights in every field. It is thriving with its four wings - the Primary Wing located at the West End Park and the rest three - the Middle, the MCM and the Senior Wing on the Itki Road near Kathal Mode. For meritorious students from far-flung areas, the school has a Boys, Hostel on the Bariatu Road near RIMS. The school has a fleet of 35 buses that ensure the safe travel of the students availing the bus facility. To facilitate learning, we have also well-equipped labs with audio-visual aids and ultra-modern gadgets. There are two high-power generators installed on campus to supply power during power failure.

Although the medium of instruction is English, equal importance is given to the study of Hindi and Sanskrit. A galaxy of dedicated and learned teachers imparts quality education for the all-round development of the students. Every year, a number of students qualify to take admission to different professional colleges for Engineering, Medical Science, Law and Chartered Accountancy to name a very few areas of higher education generally pursued by students. Ten of our students cleared the IIT exam this session and we expect the number to rise further next session. One more feather was added to our much adorned illustrious cap when one of our ex-students was placed 8th in the Indian Civil Service Exam 2012. The school also holds a unique record of being the Champions of the DAV Zonal Youth Festival seven times in a row, a rare feat worth-reliving for years to come. We have also bagged the first position in the CBSE Eastern Zone Badminton Championship.

Be it academics or co-curricular activities, our position is invariably commendable. There is no denying, this achievement is due to the concerted efforts of the dedicated staff members - the teaching and the non-teaching as well as the students under the able leadership and guidance of the Principal, LMC, Regional Directorate and above all DAV Managing Committee, New Delhi.

Our Motto : Service before self
